

WEBSHOP

YOUR 24/7 SALES CHANNEL!

The internet provides you too with a diversity of sales channels. An effectively functioning webshop will enable you to create a new sales channel which is open 24/7. ALFA PRO IT will be more than happy to help you set everything up.

The options:

- Sales from current stock (real-time) and lists of offers (pre-order)
- Links to suppliers' stocks
- Multimedia library for the storage of photos
- Supports the 'Shop-in-Shop' and the One-Stop-Shop concept
- Can be combined with apps
- Can be expanded with Customer Portal and Click & Buy
